## Movie series: “Sustainable Truth?”

**The Nature of Cities** is a movie about the present and future of cities. The idea of nature as something distant is challenged as the city planners, architects and residents displays their innovative ideas to bring nature closer to home. Cities like Malmö, Copenhagen and Stockholm are three of the cities that are at the forefront of incorporating nature into their urban areas.

**Invited to discuss the movie:** Eva Rydén Dalman, architect at Lunds kommun, project manager for the development of Brunnsög in Lund. Eva participated in the movie when she worked at Bo01 and Malmö stad developing Västra Hamnen.

**All our movie screenings are free of charge  
with free fika after the screening!**
